

Enabling change, clarifying options, recommending strategy, managing implementation, and delivering results.

» **DRIVING CHANGE, EFFECTIVENESS AND IMPACT**

Change is a constant in the public sector. Organizations must respond with flexibility and insight to maximize opportunities and improve performance. Achieving mission and getting ahead means focusing resources in more intelligent, effective ways. Let us help you take the best path forward for your organization.

DTS is a Service Disabled Veteran Owned Small Business (SDVOSB) founded by consulting experts with a proud track record of helping civil and defense clients respond to daunting challenges. We deliver high quality management and IT consulting services to public and private sector organizations in the areas of:

- » Program Management/Governance Solutions
- » Strategic Planning/Organizational Advancement
- » Software/Business Process Development
- » Just-in-Time Learning Solutions

At the heart of DTS is a cadre of dedicated principals and talented consultants who will take the uncertainty out of your management and IT consulting services. In a crowded field of contractors, we pride ourselves in the quality of our people, the power of our approach and the impact of our results. Count on us to move you forward in Human Capital, Acquisitions and Financial Management, Logistics or Healthcare.

DTS MISSION

To deliver high-quality management and IT consulting services that both we and our customers are proud of.

DTS LEADERSHIP

Edward Tuorinsky – Managing Principal

Edward Tuorinsky, a service disabled veteran, brings nearly two decades of experience to DTS in areas of leadership, management consulting and information technology services. Tuorinsky was a Captain and logistics officer in the U. S. Army, serving at various locations nationally and abroad, including Korea, Germany and Kosovo. After serving in the Army, Tuorinsky led the professional services divisions of two federal government consulting firms, managing a \$20 million project portfolio. Prior to that, Mr. Tuorinsky worked for L-3 Communications, where he provided project management and consulting expertise. Tuorinsky holds a Bachelor of Science in biology from the College of William and Mary and a Project Management Professional certification. Additionally, he is trained in CMMI methodologies.
