Federal Experience & Contracting Information

Representative Federal Experience

For more than 15 years, DTS has helped defense and civilian agencies turn complex requirements into operational capabilities. Working as both a prime contractor and subcontractor, we bring technical expertise, program management, workforce support, and day-to-day execution together. The engagements below demonstrate sustained performance, measurable improvement, repeat awards, and active support for evolving federal missions.

U.S. Army NCODE
Active VESP | Secure Cloud & Cybersecurity Support
CMMC-aligned cloud, cyber engineering, SOC, and managed operations

U.S. Fish & Wildlife Service
Prime | HCMS Modernization & Program Management
Approximately 85% shorter hiring lifecycle; greater than 99% deployment success

Defense Logistics Agency
Prime | WAWF/iRAPT Implementation & Support
Repeat awards; multiagency implementation, training and operational support

General Services Administration – FEDSIM/AAS University
Acquisition Workforce Development
Repeat awards; designed, developed and deployed 200+ courses supported by change management, process documentation, knowledge management, and marketing/communications

General Services Administration
Construction Management Support
Active estimating, project management, scheduling, coordination and cost/risk oversight

Defense Health Agency
Document Management & CATMS Support
150 taskers monthly; overdue actions reduced from 7% to 2%
